NOTIFICATION

Notification No.: JKMC-20 of 2026

Dated: 21-10-2026

ORDER

Subject: Final Order of Rejection of Application for Provisional Registration of Mr. Basharat Amin S/O Mohammad Amin Ganie under the Registration of Medical Practitioners and Licence to Practice Medicine Regulations, 2023.

WHEREAS, an Online Application dated 13.05.2026 was preferred by Mr. Basharat Amin S/o Mohammad Amin Ganie R/O K. Klah, Post Office Mahind Sirguffara, District Anantnag, Kashmir – 192124 (hereinafter referred to as the "Applicant") before the Jammu & Kashmir Medical Council, seeking Provisional Registration as a Medical Practitioner under the relevant provisions of the Registration of Medical Practitioners and Licence to Practice Medicine Regulations, 2023; and

WHEREAS, in support of his statutory claim for registration, the Applicant submitted certificates declaring that he had passed the Higher Secondary Part Two (Class XII) Examination in Session Bi-Annual 2016 under Roll No. 1108516; obtained a Diploma of Specialist Degree (Doctor of Medicine) on 28.06.2024 from the Federal State Funded Institution of Higher Education, "Ulyanovsk State University", Russian Federation; and subsequently qualified the Foreign Medical Graduate Examination (FMGE) Screening Test conducted by the National Board of Examinations in Medical Sciences (NBEMS) on 17.01.2026 (Screening Test Pass Certificate No. 2511210651 dated 09.04.2026); and

WHEREAS, during the strict administrative and technical scrutiny of the primary digital credentials uploaded by the Applicant on the dynamic portal of this Council, a material and irreconcilable variance was detected between the structural academic data sets submitted across distinct statutory authorities. Specifically, the initially submitted scanned copy of the Class XII Marks Certificate (bearing a Ministry of External Affairs attestation on its reverse) reflected the Applicant's marks as *Chemistry: 59/100* and *Biology: 73/100*. Conversely, the statutory Eligibility Certificate issued to the Applicant by the Medical Council of India (MCI) under the "Eligibility Requirement for taking Admission in Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002" recorded the marks inversely as *Chemistry: 73/100* and *Biology: 59/100*; and

WHEREAS, upon being issued a directive to clarify the numerical variance, the Applicant submitted an alternate document labelled as a "Duplicate Class XII Marks Certificate" issued by the Jammu & Kashmir State Board of School Education (JKBOSE)—on the pretext that the original certificate had been misplaced or lost—wherein the marks for Chemistry (73) and Biology (59) were found to be artificially synchronized with the values captured in the MCI Eligibility Certificate; and

WHEREAS, to conclusively resolve the authenticity of the conflicting instruments, this Council, via Official Communication No. JKMC/S/Verification 10+2/2026/7325-26 dated 03.08.2026, initiated a formal verification reference with the parent examining body, JKBOSE, requesting the extraction of the absolute Master Ledger Records for Roll No. 1108516, Session Bi-Annual 2016; and

WHEREAS, the Joint Secretary, Verification, JKBOSE, via statutory communication No. F(JS-Ver)B/KD/2026/P-590 dated 29.08.2026, furnished the certified and untampered subject-wise master record of the Applicant. The verified, legally absolute metrics from the official board repository are explicitly tabulated below:

- General English: 34/100
- Physics: 38 Theory + (08+19) Practical = 65/100
- Chemistry: 45 Theory + (09+19) Practical = 73/100
- Biology: 31 Theory + (09+19) Practical = 59/100
- Environmental Science: 34 Theory + (08+19) Practical = 60/100
- Aggregate Score: 291/500 (Second Division); and

WHEREAS, a rigorous forensic and legal juxtaposition of the documents establishes a premeditated, fraudulent manipulation of data. The Applicant systematically interchanged his marks in the initially submitted Class XII scanned copy (inflating Biology from 59 to 73) to qualify for admission filters or subsequent screening exemptions, and subsequently matched that fraudulent scheme by producing a deceptive duplicate record. The intentional alteration of foundational parameters to mislead the National Medical Commission (erstwhile MCI) and this State Council shatters the doctrine of *uberrima fides* (utmost good faith) required for professional licensure; and

WHEREAS, it is a settled principle of law that "*fraud vitiates every solemn act*". A registration or license obtained, or attempted to be obtained, via systemic suppressio veri (suppression of truth) and suggestio falsi (suggestion of falsehood) is void *ab initio*. Under the explicit mandate of the Registration of Medical Practitioners and Licence to Practice Medicine Regulations, 2023, this Council is legally bound to deny entry into the medical register to any individual who relies on fabricated, forged, or doctored records.

WHEREAS, Under the Registration of Medical Practitioners and Licence to Practice Medicine Regulations, 2023, the possession of untampered, authentic foundational qualifications is a strict, non-negotiable statutory pre-condition for registration.

- The Council possesses no administrative discretion to overlook or regularize an act of document forgery.
- The introduction of a forged instrument permanently disqualifies the Applicant under the "fit and proper person" standard required to practice medicine, as professional integrity is non-severable from academic integrity.

WHEREAS, the act of altering an digital image file, presenting it as genuine to a statutory body, and subsequently procuring or utilizing a forged duplicate certificate to match the falsified data satisfies the strict statutory definition of criminal forgery and cheating;

NOW, THEREFORE, in exercise of the statutory powers vested in the Jammu & Kashmir Medical Council under the Registration of Medical Practitioners and Licence to Practice Medicine Regulations, 2023, the application of Mr. Basharat Amin for Provisional Registration is hereby REJECTED with immediate effect on grounds of established

document forgery, systemic fraud, and misrepresentation of fundamental academic records.

FURTHERMORE, this Council hereby directs:

- 1.** The immediate transmission of this case file to the competent law enforcement authorities for the registration of a First Information Report (FIR) under the relevant provisions of the Bharatiya Nyaya Sanhita, 2023 (or applicable penal laws) for forgery, utilization of forged documents as genuine, and cheating.
- 2.** The formal marking of a copy of this Order to the National Medical Commission (NMC) for suo motu withdrawal and cancellation of the Applicant's Eligibility Certificate and associated Screening Test validations.

Issued with the approval of competent authority.

Dr. Sandeep Dogra
Registrar
J&K Medical Council

No: JKMC/J/Order/2026/12226-32

Dated: 21/10/26

Copy to:

1. Secretary, National Medical Commission, Pocket-14, Sector-8, Dwarka Phase-1, New Delhi-110077 for information and necessary action within its statutory jurisdiction.
2. Senior Superintendent of Police, Srinagar, for information and necessary action in accordance with law
3. President, Jammu & Kashmir Medical Council.
4. Dinesh Singh Chauhan. Standing Counsel, JKMC for information.
5. Mr. Basharat Amin S/o Mohammad Amin Ganie R/O K. Klah, Post Office Mahind Sirguffara, District Anantnag, Kashmir – 192124
6. Webmaster, J&K Medical Council to upload the Order on JKMC website.
7. Office file.
